UPCOMING HOSPICE EVENTS NEAR YOU

TRANSITIONS IN LIFE AND NEW BEGINNINGS – *Presented by Ecumen Hospice*

Join us as we explore the many transitions life brings—both the challenges and the opportunities for growth. This supportive gathering offers space for grief support, education, and meaningful connection with others who have experienced losses of various kinds, including the death of a loved one, shifts in independence and residence, changes in relationships, and other significant life changes.

Led by Ecumen Hospice staff, our time together provides a compassionate environment to share stories, learn new insights, and walk alongside one another as we navigate grief and discover new beginnings. **There is no cost to attend and is open to the community. No registration is required.**
